Sewer Connection Application/Approval Form

Date: _____

I, the undersigned, _____, owner of property located at _____, of either Berwick Tax Map: _____ Lot: _____ or York County Registry of Deeds Book _____, Page _____, hereby requests a permit to connect from the Berwick Sewerage System. I agree to conform to the rules and regulations of the Berwick Sewer District and to pay rates and charges due, Connection Fees, Inspection Fee, and if required Highway Opening Permit costs. The undersigned agrees to give notice and coordinate with District staff a minimum of 48 hours prior to performing the actual connection. Backfilling sewer services installed between a building and the Districts Collector System prior to inspection by the District may require the re-excavation of the service pipe for inspection.

Note that per District Sewer Standards service line clean-outs are required every 150'.

Equity Buy-in Fee: \$1,390.00 Per Equivalent Dwelling Unit

Connection Fee: \$250.00 (Minimum Due with Application to cover time and materials for physical connection to Districts collector system. Work required above 2 hours will be assessed to the property account)

Inspection Fee: \$50.00 per Visit

Highway Opening Permit Required: YES _____ NO _____
